YOLO COUNTY BOARD OF SUPERVISORS (Villegas, Frerichs, Sandy, Allen, Barajas)

YOLO COUNTY ADMINISTRATION (County Administrator Webb, Deputy County Administrator Bryan, Deputy Clerk Dachtler, County Counsel Pogledich, Sheriff Lopez, District Attorney Reisig)

YOLO COUNTY HEALTH SERVICES (Health & Social Services Monica Morales)

SUBJECT: BOARD OF SUPERVISORS MEETING 6/24/25 PUBLIC COMMENT

Dear Supervisors, Administration and County Health Department,

My name is Julie Threet and I am a former healthcare worker from Butte County who traveled here today to ask that you stop administration of the deadly COVID vaccine in your County. I am traveling from County to County with another whistleblower, Ronald F Owens Jr. to ask those responsible to stop administration of this deadly poison and consider investigating those responsible for spreading misinformation about the safety of this shot in your County.

I have given my testimony to elected officials in 26 counties a total of 78 times traveling 9,563 miles to: Butte County, Santa Clara, Shasta, Glenn, Colusa, Tehama, Marin, Nevada, Plumas, Sacramento, Lake, Yuba, Sutter, Monterey, Tuolumne, San Francisco, Calaveras, Mariposa, Mendocino, Merced, Ventura, San Benito, Mono, San Mateo, Modoc, Sierra and Lassen.

I have also given testimony to the California Board of Pharmacy who is responsible for Consumer Protection a total of 11 times in Sacramento.

This proves how committed I am to my fight for justice and to urge those responsible for vaccine administration to take appropriate action.

FOR THE RECORD, I am vaccine injured myself by the COVID-19 vaccine and have a VAERS Report filed:

<https://medalerts.org/vaersdb/findfield.php?IDNUMBER=2302355>

I suffer from microangiopathy, tinnitus, and have had three detached retinas (requiring five emergency eye surgeries). I also have a heart condition that has yet to be properly diagnosed but has limited my ability to enjoy my life with my grandchildren.

MY HEALTHCARE WORK IN BUTTE COUNTY INCLUDED PATIENT AMBASSADOR AND MEMBER OF VOLUNTEER SERVICES BOARD OF DIRECTORS FOR ENLOE MEDICAL CENTER, AND WORKING AT THE BUTTE COUNTY PUBLIC HEALTH MASS VACCINATION CLINICS IN 2021 HELPING ADMINISTER THE VACCINES. I AM A WHISTLEBLOWER HAVING WITNESSED INJURIES IN THE CHAIR. With the extent of my injuries, and the injuries I witnessed all around me, I started researching everything to find out who to hold accountable, what we needed to do to help people heal, and to make sure NOT ONE SINGLE BABY, SENIOR CITIZEN OR MILITARY VETERAN GOES BLIND LIKE I DID FROM THIS POISON.

The hardest thing I had to do once I realized I was vaccine-injured was to ADMIT THAT I WAS BAMBOOZLED. I was lied to about the safety of this product. Once you do that, you should want to get to the bottom of who was responsible and seek justice.

I am a member of Medical Doctors for COVID Ethics International and now LEAD INVESTIGATOR FOR VAERSAware.com AN ORGANIZATION THAT PROVIDES CRITICAL DATA BY BATCH NUMBER.

Here are a number of recommended actions you should consider:

Recommended Action #1: Have your PUBLIC HEALTH team check on the relative lot toxicity at this site and notify your citizens accordingly. AND, have Public Health check to see if they administered the one RECALLED Moderna lot in California: #041L20A. Your Health Department has this information. If they have administered this lot, you must notify the patient.

Recommended Action #2: ADD A LINK TO THE VAERS SITE AT HHS FOR THOSE INJURED BY ANY VACCINE:

<https://vaers.hhs.gov/reportevent.html>

Recommended Action #3: Check your current communications on your websites and/or social media regarding the COVID vaccine. Remove all misinformation that could expose your County to legal challenges (or moral/ethical complaints).

Recommended Action #4: DO YOUR OWN INDEPENDENT RESEARCH!

Here are a number of resources to help with your research:
