### LEGAL NOTICE BOARD OF SUPERVISORS NOTICE OF PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that the Yolo County Board of Supervisors will be conducting a public hearing on **Tuesday, July 22, 2025 at 9:00 a.m.**, or as soon thereafter as the matter may be heard, in the Yolo County Board of Supervisors Chambers, 625 Court St, Room 206, Woodland, California regarding proposed property liens for delinquent solid waste service charges. Those wishing to appear may do so in-person. In addition to live in person public comment, members of the public are welcome to submit written comments to [clerkoftheboard@yolocounty.gov](mailto:clerkoftheboard@yolocounty.gov) or deliver to 625 Court Street, Room 204 Woodland, CA 95695. Written comments received by 4:00 p.m. the Monday prior to the meeting will be available as an attachment corresponding with the agenda item. ([www.yolocounty.gov](http://www.yolocounty.gov)) Written comments received after 4:00 p.m. on the Monday before the public hearing will be distributed to Board members and made available to the public for review after the Clerk's office opens the morning of the public hearing.

The County has exclusive franchise agreements with Waste Management and Recology (Franchisees) for solid waste services. Pursuant to Section 6-17.507 of the Yolo County Code titled “Delinquent Accounts; Liens” any account with unpaid charges for one year or longer is considered a delinquent account. At the request of a Waste Management and Recology, and upon submission to the County of appropriate information demonstrating that an account is delinquent, the County sends a letter to the owner of the property with the delinquent account and requests payment within 30 days. If complete payment is not received by the County within 30 days, the County places a lien on the property in accordance with Government Code Section 25828 and proceeds to collect any unpaid amounts in the manner set forth therein. All delinquent amounts collected by the County are remitted in full to the Franchisee, less any offset for amounts due the County from the Franchisee.

A public hearing will be held to allow for those property owners with delinquent Waste Management or Recology accounts to address the Board of Supervisors prior to the attachment of a lien against their property. If you have additional questions regarding delinquent solid waste charges for your property, please contact Marissa Juhler, Director of the Division of Integrated Waste Management, at [Marissa.Juhler@yolocounty.gov](mailto:Marissa.Juhler@yolocounty.gov) or (530) 666-8813. Copies of the staff report are available at the Clerk of the Board of Supervisors, 625 Court Street, Woodland, California 95695, by telephone (530) 666-8195, or at the Yolo County Web site ([yolocounty.gov](http://yolocounty.gov)).
