This Agreement ("Agreement") is made and entered into this ____ day of _____, 2025 by and between the County of Yolo, a political subdivision of the State of California ("County" or "Grantee") and Alemaya Farm, LLC ("Grantor").

WHEREAS, the County is constructing the Project, identified above; and

WHEREAS, Grantor is the owner of certain real property, identified as APN: 060-090-006, 7261 County Road 49, Guinda, California located in the unincorporated area of the County of Yolo, State of California ("Subject Property"), on which a portion of the Project will be constructed; and

WHEREAS, the County desires to acquire permanent public road right-of-way and utility easement interests and a temporary construction easement in a portion of the Subject Property, subject to the terms and conditions in this Agreement.

NOW, THEREFORE, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties hereby mutually agree as follows:

1. **Deed Delivery.** Within seven (7) calendar days of the full execution of this Agreement, Grantor shall execute and deliver one Easement Deed ("Deed") for permanent public road right-of-way and public utility purpose and one Temporary Construction Easement ("TCE") to the County for the purpose of conveying to the County the certain interests described in the Deed and TCE. The form of the Deed and TCE to be executed by the Grantor are attached hereto as Attachments 1 and 2 and incorporated by this reference. The legal description and plat depicting the respective Easements are included in Attachments 1 and 2 as Exhibits A and B, and are incorporated herein by this reference. "Easements" shall mean the permanent easement conveyed by the Deed and the TCE collectively.
2. **Purchase Price and Title.** The County shall pay the Grantor the sum of Two Thousand Dollars (\$2,000.00) ("Purchase Price"). Payment of the Purchase Price shall be made within 30 days after this Agreement is fully executed and the signed and notarized Deed and TCE are delivered to the County free and clear of all liens, encumbrances, taxes, assessments, easements and leases, recorded and/or unrecorded, except:

- a. Taxes for the tax year in which this escrow closes shall be cleared and paid in the

- b. Covenants, conditions, restrictions and reservations of record, if any; and
- c. Easements or rights of way over said land for public or quasi-public utility or public street purposes, if any.

The County shall pay all costs of escrow and recording incurred in this transaction, and if title insurance is desired by the County, title insurance policy expenses. Escrow and recording costs shall not, however, include any trustee fees, forwarding fees, or penalty for any full or partial reconveyance of deed or full release of any mortgage paid.
4. **Deductions.** The County shall have the authority to deduct and pay from the Purchase Price any amount necessary to satisfy any bond, lender, lien or other encumbrance demands and delinquent taxes due in any year except the year in which this escrow closes, together with penalties and interest thereon, and/or delinquent and unpaid non-delinquent assessments which have become a lien at the close of escrow.

County harmless and reimburse the County for any and all of its losses and expenses occasioned by reason of any lease of the property held by any tenant of Grantor for a period exceeding one month.

6. **Indemnification.** Grantor covenants and agrees to indemnify and hold the County harmless from any and all claims that other parties may make or assert on the title to the premises for interests not set forth in the record title.
7. **Buyer Indemnification.** County agrees to indemnify and hold harmless the undersigned Grantor from any liability arising out of County's operations under this Agreement. Excluding any damages covered by the Purchase Price and rights granted to the County by this Agreement, the County further agrees to assume responsibility for any damages proximately caused by reason of its operations under this Agreement, and the County will, at its option, either repair or pay for such damages.
8. **Date of Possession; Temporary Construction Easement.** It is agreed and confirmed by the parties hereto that notwithstanding other provisions in this Agreement, the right of possession and use of the Easements by the County, including the right to remove and dispose of improvements, shall commence on April 1, 2025 or the execution of this Agreement, whichever occurs later ("possession Date"), and that the Purchase Price includes, but is not limited to, full payment for such possession and use including damages, if any, from the Possession Date.

The TCE described in Attachment is needed during the construction of the Project. Said TCE shall be for a period not to exceed (60) months and shall commence on the above referenced date of possession. In no case shall the TCE extend past March 30, 2030, unless extended by written mutual agreement of Grantor and the County's Director of Public Works.

If the TCE is recorded, the County will quitclaim the interests conveyed by the TCE, to Grantor at the expiration of said term of the TCE.

Upon expiration of the TCE the County, at its sole cost and expense, shall restore the TCE property to substantially the same condition it was prior to County's use of the TCE.
9. **Contractor Insurance.** County will provide copies of the Contractor's insurance certificate(s) to the Grantor prior to beginning construction of the Project.
10. **Hazardous Materials.** The Easements being acquired in this transaction reflect the fair market value of the property without the presence of contamination. If the property being acquired is found to be contaminated by the presence of hazardous waste, which required mitigation under Federal or State law, the County may elect to recover its cleanup costs from those who caused or contributed to the contamination.
11. **Title VI Assurances.** The parties to this Agreement shall, pursuant to Section 21.7(a) of Title 49, Code of Federal Regulations, comply with all elements of Title VI of the Civil

The performance of the Agreement constitutes the entire consideration for the Easements and shall relieve the County of all further obligation or claims on this account, or on account of the location, grade or construction of the Project. No obligations other than those set forth in this Agreement will be legally binding on either party.
