

Date	Presidential Action	Summary	Impact to Yolo County
<p><b>8/27 NEW</b></p>	<p><b>Executive Order:</b> Taking Steps to End Cashless Bail to Protect Americans</p>	<p>Attorney General must submit a list of States and local jurisdictions with cashless bail policies.</p> <p>The Trump Administration may suspend or terminate Federal funds, including grants and contracts, currently provided to cashless bail jurisdictions.</p>	<p>None at this time.</p>
<p><b>8/14</b></p>	<p><b>Executive Order:</b> Improving Oversight of Federal Grantmaking</p>	<p>Federal agencies must appoint a senior political appointee to review all new grant solicitations and discretionary awards, ensuring alignment with agency priorities and national interests beyond peer review.</p> <p>Grant announcements must be simplified to reduce reliance on costly legal/technical help. Federal agencies must coordinate to avoid duplication.</p> <p>Awards must align with presidential policy priorities and avoid funding activities deemed inconsistent with “American values.” Preference for lower indirect cost rates and “Gold Standard Science.”</p> <p>Federal agencies must add termination clauses to active grants (where legal) and require detailed justification before drawdowns.</p>	<p>Potentially slows new funding opportunity announcements and adds new review layers before opportunities are posted.</p> <p>Federal Grants will become easier to navigate but fewer opportunities could be released due to consolidation.</p> <p>EO may increase award termination risk and reduce recoverable indirect costs.</p> <p>Existing funding could face more restrictions and slower access to obligated funds.</p>
<p><b>7/24</b></p>	<p><b>Executive Order:</b> Ending Crime and Disorder on America’s Streets</p>	<p>Directs the Attorney General to reverse judicial precedents and end consent decrees that limit State and local governments’ ability to commit individuals on the streets who are a risk to themselves or others.</p>	<p>Potential impacts to funding of drug and mental health courts.</p> <p>Requires grant funding recipients to share data with law enforcement authorities to use collected health data</p>

		<p>Directs Federal agencies to assess and prioritize grants for States and municipalities that enforce prohibitions on open illicit drug use, urban camping and loitering, and urban squatting, and track the location of sex offenders. Also redirects funding so individuals on the streets are moved into treatment centers, assisted outpatient treatment, or other facilities. It also stops sex offenders receiving homelessness assistance from being housed with children and allows programs to exclusively house women and children.</p> <p>The order also expands support for drug and mental health courts, permits more restrictive housing rules, and authorizes the collection and sharing of health data with law enforcement to enhance public safety.</p>	<p>of individuals with mental health diagnoses.</p>
<p>06/07</p>	<p><b>Presidential Memoranda:</b> Department of Defense Security for the Protection of Department Of Homeland Security Functions</p>	<p>Federal service members and units of the National Guard under 10 U.S.C. 12406 may temporarily protect ICE and other United States Government personnel who are performing Federal functions, including the enforcement of Federal law, and to protect Federal property, at locations where protests against these functions are occurring or are likely to occur.</p> <p>The Secretary of Defense may employ any other members of the regular Armed Forces as necessary to augment and support the protection of Federal functions and property in any number determined appropriate in his discretion.</p>	<p>Potential for unilateral mobilization of the National Guard throughout California and the United States. Potential for mobilization of the armed services to protect federal personnel and infrastructure.</p>

		<p>Deployed military personnel may perform those military protective activities that the Secretary of Defense determines are reasonably necessary to ensure the protection and safety of Federal personnel and property.</p>	
<p><b>06/06</b></p>	<p><b>Presidential Memoranda:</b> Eliminating Waste, Abuse, and Fraud in Medicaid</p>	<p>The Secretary of Health and Human Services seeks to eliminate waste, fraud, and abuse in Medicaid, including by ensuring Medicaid payments rates are not higher than Medicare, to the extent permitted by applicable law, namely through scrutiny of healthcare/MCO taxes</p>	<p>This policy has the potential to reduce Medi-Cal reimbursement rates and alter the Medi-Cal funding framework.</p>
<p><b>04/28</b></p>	<p><b>Executive Order:</b> Protecting American Communities from Criminal Aliens</p>	<p><u>Sec. 3. Consequences for Sanctuary Jurisdiction Status</u></p> <p>The Federal government shall identify appropriate Federal funds to sanctuary jurisdictions, including grants and contracts, for suspension or termination, as appropriate.</p> <p><u>Sec. 4. Preventing Federal Benefits for Aliens in Sanctuary Jurisdictions.</u></p> <p>The Federal government shall develop guidance, rules, or other appropriate mechanisms to ensure appropriate eligibility verification is conducted for individuals receiving Federal public benefits from private entities in a sanctuary jurisdiction, whether such verification is</p>	<p>Impacts the 2017 Board of Supervisors resolution which ensures Yolo County is a safe, welcoming place for all.</p> <p>It is possible that Yolo County departments may need to review their service delivery models to verify eligibility in alignment with the federal Administration’s priorities. There is no evidence currently to suggest that ineligible payees from Yolo County are receiving funds from federal programs.</p> <p>The 2025 Intergovernmental Advocacy Policy approved by the Board, February 11, 2025, includes commitments</p>

		<p>conducted by the private entity or by a governmental entity on its behalf.</p>	<p>that may be impacted such as:</p> <ul style="list-style-type: none"> <li>• Support actions that uphold the U.S. Constitution and due process rights for all people and protect the people and economy of Yolo County. (Thriving Residents)</li> <li>• Oppose actions that that may be harmful to families or children or that interfere with a person’s right to pursue asylum in the United States or that result in a denial of due process of law. (Thriving Residents)</li> <li>• Support actions which work to promote the health and safety of residents, without regard to immigration status. (Thriving Residents)</li> <li>• Seek legal resources to support Yolo County residents with immigration issues (Thriving Residents)</li> </ul>
<p><b>04/15</b></p>	<p><b>Executive Order:</b> Updating Permitting Technology for the 21st Century</p>	<p>Executive departments and agencies shall make maximum use of technology in environmental review and permitting processes for infrastructure projects of all kinds, such as roads, bridges, mines, factories, power plants, and others to eliminate friction in coordination between agencies in</p>	<p>This action could potentially improve the speed and efficacy by which infrastructure and capital projects are reviewed.</p>

		<p>the environmental review and permitting process and improve the transparency and predictability of project permitting schedules.</p> <p>Within 45 days of the date of this memorandum, the Chairman of the Council on Environmental Quality (CEQ), in consultation with the National Energy Dominance Council and relevant permitting agencies, shall issue a Permitting Technology Action Plan for modernizing the technology used for Federal permitting and environmental review processes for infrastructure projects.</p> <p>Within 15 days of the date of this memorandum, the Chairman of CEQ shall establish and lead an interagency Permitting Innovation Center that will design and test prototype tools that could be implemented pursuant to the Permitting Technology Action Plan for NEPA reviews and other environmental permits and authorizations. The Administrator of General Services, through the General Service Administration’s Technology Transformation Services, shall provide support for the establishment of the Permitting Innovation Center.</p>	
<p><b>04/15</b></p>	<p><b>Executive Order:</b> Preventing Illegal Aliens from Obtaining Social Security Act Benefits</p>	<p>The Secretary of Labor, the Secretary of Health and Human Services, and the Commissioner of Social Security, in consultation with the Secretary of Homeland Security as necessary, shall take all reasonable measures, consistent with applicable law, to ensure ineligible aliens are not receiving funds from Social</p>	<p>It is possible that Yolo County departments may need to review their service delivery models to verify eligibility in alignment with the federal Administration’s priorities. There is no evidence currently to suggest that deceased or otherwise ineligible payees from Yolo</p>

		<p>Security Act programs. Such measures shall include promulgating any necessary guidance or regulations regarding Social Security Act funds and, to the extent appropriate and consistent with law, prioritizing civil or administrative enforcement actions against States, localities, or other similar grantees or subgrantees that do not take adequate measures to verify eligibility, stop payments to deceased or otherwise ineligible payees, or otherwise prevent ineligible aliens from receiving funds from Social Security Act programs.</p> <p>The Attorney General and the Secretary of Health and Human Services shall cooperate to establish a similar fraud-prosecutor program utilizing Special Assistant United States Attorneys with regard to programs administered by the Centers for Medicare and Medicaid Services, which shall operate in at least 15 United States Attorney Offices by October 1, 2025.</p>	<p>County are receiving funds from federal programs.</p>
<p>04/08</p>	<p><b>Executive Order:</b> Reinvigorating America’s Beautiful Clean Coal Industry And Amending Executive Order 14241</p>	<p>Removes Federal regulatory barriers that undermine coal production, encouraging the utilization of coal to meet growing domestic energy demands, increasing American coal exports, and ensuring that Federal policy does not discriminate against coal production or coal-fired electricity generation.</p> <p>Identifies coal resources and reserves on Federal lands, assesses impediments to mining such coal resources, and proposes</p>	<p>Potential likelihood for fossil fuel consumption that may exacerbate climate change impacts and impede Yolo County’s Strategic Plan Goal to achieve net-negative carbon emissions by 2030.</p> <p>This policy stance may also have probable impact on Yolo County’s Climate Action and Adaptation Plan initiatives which emphasizes sustainable energy production practices.</p>

		<p>policies to address such impediments and ultimately enable the mining of such coal resources by either private or public actors.</p>	
<p><b>04/08</b></p>	<p><b>Executive Order:</b> Protecting American Energy from State Overreach</p>	<p>The Attorney General shall prioritize the identification of any such State laws purporting to address “climate change” or involving “environmental, social, and governance” initiatives, “environmental justice,” carbon or “greenhouse gas” emissions, and funds to collect carbon penalties or carbon taxes. (b) The Attorney General shall expeditiously take all appropriate action to stop the enforcement of State laws and continuation of civil actions identified in subsection (a) of this section that the Attorney General determines to be illegal.</p>	<p>Potential likelihood for fossil fuel consumption that may exacerbate climate change impacts and impede Yolo County’s Strategic Plan Goal to achieve net-negative carbon emissions by 2030.</p> <p>This policy stance may also have probable impact on Yolo County’s Climate Action and Adaptation Plan initiatives which emphasizes sustainable energy production practices.</p> <p>This action could marginally impact future capital project recommendations that relate to sustainable energy production or environmental resilience strategies.</p>
<p><b>04/08</b> <b>NEW</b></p>	<p><b>Executive Order:</b> Strengthening the Reliability and Security of the United States Electric Grid</p>	<p>In order to ensure adequate and reliable electric generation in America, to meet growing electricity demand, and to address the national emergency declared pursuant to Executive Order 14156 of January 20, 2025 (Declaring a National Energy Emergency), our electric grid must utilize all available power generation resources, particularly those secure, redundant fuel supplies that are capable of extended operations</p>	<p>Potential likelihood for fossil fuel consumption that may exacerbate climate change impacts and impede Yolo County’s Strategic Plan Goal to achieve net-negative carbon emissions by 2030.</p> <p>This policy stance may also have probable impact on Yolo County’s Climate Action and Adaptation Plan initiatives which emphasizes sustainable energy practices.</p>
<p><b>03/25</b></p>	<p><b>Executive Order:</b> Preserving and Protecting the Integrity of American</p>	<p>The purpose of this order is to enforce election-integrity standards through the following initiatives:</p>	<p>It is possible that complications and longer time allocations may arise to the voter registration</p>

	<p>Elections</p>	<ul style="list-style-type: none"> <li>• Enforcing documentary proof of United States citizenship</li> <li>• Requiring state or local officials to record on the form the type of document that the applicant presented as documentary proof of U.S. citizenship.</li> <li>• Identify unqualified voters registered in the States.</li> <li>• Ensure that State and local officials have, without the requirement of the payment of a fee, access to appropriate systems for verifying the citizenship or immigration status of individuals registering to vote who are already registered.</li> <li>• The Secretary of State will take all lawful and appropriate action to make available information from relevant databases to State and local election officials engaged in verifying the citizenship of individuals registering to vote or who are already registered.</li> <li>• The Department of Homeland Security, in coordination with the DOGE Administrator, will review each State’s publicly available voter registration list and available records concerning voter list maintenance activities alongside Federal immigration databases.</li> <li>• The Secretary of Homeland Security will provide the Attorney General complete information on all foreign nationals who have indicated</li> </ul>	<p>process for Yolo County constituents.</p> <p>There may be a cost incurred to Yolo County constituents to acquire the necessary documentary proof records if they are expired or unissued.</p> <p>The Yolo County Elections office may incur additional costs to engage in verifying the citizenship of individuals registering to vote and those who are already registered.</p> <p>The Yolo County Elections office may need to develop a process for reporting to the Dept of Homeland Security and storing voting records that includes documentary proof of U.S. citizenship and information criteria associated with the document as required.</p> <p>The Yolo County Elections Office may need to review voter equipment, security of all voting equipment, and systems used to cast ballots, tabulate votes, and report results to follow all requirements.</p> <p>The Yolo County Elections Office must comply with the requirements, or the State will lose Federal funds.</p>
--	------------------	---	--

		<p>on any immigration form that they have registered.</p> <ul style="list-style-type: none"><li>• Executive agencies shall assess citizenship prior to providing a Federal voter registration form to enrollees of public assistance programs.</li><li>• The Attorney General will ensure compliance by ceasing to provide Federal funds to governments to States that fail to include any requirement for documentary proof of United States citizenship.</li><li>• The Election Assistance Commission will issue appropriate guidance establishing standards for voting systems to protect election integrity. Action may take place to review and recertify voting systems under the new standards as well as rescind all previous certifications of voting equipment based on prior standards.</li><li>• The Security of Homeland Security and the Administrator of the Federal Emergency Management Agency shall consider funding for State or local election offices through Homeland Security Grant Programs and highly prioritize compliance with the Voluntary Voting System Guidelines.</li><li>• Improving security of all voting equipment and systems used to cast ballots, tabulate votes, and report results.</li></ul>	<p>It is possible that the Yolo County Elections Office may qualify for Homeland Security Grant Programs to meet compliance of federal requirements.</p>
--	--	--	--

		<ul style="list-style-type: none"> <li>• The Secretary of Homeland Security and the Election Assistance Commission will review and report on the security of all electronic systems used in the voter registration and voting process, assessing it for security.</li> </ul>	
<p><b>03/19</b></p>	<p><b>Executive Order:</b> Achieving Efficiency Through State and Local Preparedness</p>	<p>State and local governments and individuals will play a more active and significant role in national resilience and preparedness.</p> <p>The purpose of this order is to streamline its preparedness operations; update relevant Government policies to reduce complexity, better protect and serve Americans; and enable State and local governments to better understand, plan for, and ultimately address the needs of citizens.</p> <p>(a) National Resilience Strategy. Within 90 days of the date of this order, the Assistant to the President for National Security Affairs (APNSA), shall publish a National Resilience Strategy that articulates the priorities, means, and ways to advance the resilience of the Nation.</p> <p>(b) National Critical Infrastructure Policy. Within 180 days of the date of this order, the APNSA, shall review all critical infrastructure policies and recommend to the President the revisions necessary to achieve a more resilient</p>	<p>Preparedness to address risks including cyber-attacks, wildfires, hurricanes, and space weather will shift to be managed at the State, local, and individual levels. Sound local decisions and investments will be geared to empowering State, local, and individual preparedness to improve infrastructure, communities and economic resilience to global and dynamic threats and hazards.</p> <p>It is possible that Yolo County could be prompted to review the County’s Emergency Operations Center coordination of emergency response activities. There is a potential for additional resources to address wildfire risk preparedness, and develop infrastructure improvements for severe weather response.</p>

		<p>posture; shift from an all-hazards approach to a risk-informed approach; move beyond information sharing to action.</p> <p>(c) National Continuity Policy. Within 180 days of the date of this order, the APNSA, shall review all national continuity policies and recommend to the President the revisions, necessary to modernize and streamline the approach to national continuity capabilities, reformulate the methodology and architecture necessary to achieve an enduring readiness posture.</p> <p>(d) Preparedness and Response Policies. Within 240 days of the date of this order, the APNSA shall review all national preparedness and response policies and recommend to the President the revisions, recissions, and replacements.</p> <p>(e) National Risk Register. Within 240 days of the date of this order, the APNSA, shall coordinate the development of a National Risk Register that identifies, articulates, and quantifies natural and malign risks to our national infrastructure, related systems, and their users.</p> <p>(f) Ensure State and local governments and individuals have improved communications with Federal officials and a better</p>	
--	--	--	--

		<p>understanding of the Federal role.</p>	
<p><b>03/07</b></p>	<p><b>Executive Order:</b> Restoring Public Service Loan Forgiveness</p>	<p>Revisions to the Public Service Loan Forgiveness program will ensure the definition of “public service” excludes individuals employed by organizations whose activities have a substantial illegal purpose so they may not be eligible for public service loan forgiveness.</p> <p>The definition of “public service” excludes organizations that engage in activities that have a substantial illegal purpose, including:</p> <p>(a) aiding or abetting violations of 8 U.S.C. 1325 or other Federal immigration laws;</p> <p>(b) supporting terrorism, including by facilitating funding to, or the operations of, cartels designated as Foreign Terrorist Organizations consistent with 8 U.S.C. 1189, or by engaging in violence for the purpose of obstructing or influencing Federal Government policy;</p> <p>(c) child abuse, including the chemical and surgical castration or mutilation of children or the trafficking of children to so-called transgender sanctuary States for purposes of emancipation from their lawful parents, in violation of applicable law;</p> <p>(d) engaging in a pattern of aiding and abetting illegal discrimination; or</p> <p>(e) engaging in a pattern of violating State tort laws, including</p>	<p>The County may have qualifying employees who could benefit from the Public Service Loan Forgiveness (PSLF) Program or are currently working to complete 10 years of service in the public service sector through Yolo County employment. The County has no indication that County employees engaged in this program are participating in illegal activities that would exclude them from eligibility based on the revised definition of “public service”.</p> <p>However, the (PSLF) Program is intended to alleviate worker shortages in necessary occupations that serve the public interest and incentivizes students to pursue jobs in the public service sector. This raises the potential for disruptions to Yolo County’s ability to hire talent and employee eligibility for public service loan forgiveness based on the forthcoming federal governments’ revisions to the PSLF Program.</p>

		<p>laws against trespassing, disorderly conduct, public nuisance, vandalism, and obstruction of highways.</p>	
<p><b>03/01</b></p>	<p><b>Executive Order:</b> Immediate Expansion of American Timber Production</p>	<p>Within 30 days of the date of this order, the Secretary of the Interior and the Secretary of Agriculture, through the Director of the Bureau of Land Management (BLM) and the Chief of the United States Forest Service (USFS), respectively, shall each issue new or updated guidance regarding tools to facilitate increased timber production and sound forest management, reduce time to deliver timber, and decrease timber supply uncertainty.</p> <p>Within 180 days of the date of this order, the Secretary of the Interior and the Secretary of Agriculture shall consider adopting categorical exclusions administratively established by other agencies to comply with the National Environmental Policy Act and reduce unnecessarily lengthy processes and associated costs related to administrative approvals for timber production, forest management, and wildfire risk reduction treatments.</p>	<p>Per the Strategic Plan County Goals, Yolo County has interest in providing support for fire service sustainability to prevent wildfire risk.</p> <p>Updated guidance regarding tools for sound forest management and streamlining processes related to wildfire risk reduction treatments could be a benefit in pursuit of the County’s goals for effective fire mitigation.</p>
<p><b>02/26</b></p>	<p><b>Executive Order:</b> The President’s “Department of Government Efficiency Cost Efficiency Initiative”</p>	<p>This order commences a transformation in Federal spending on contracts, grants, and loans to ensure Government spending is transparent and Government employees are accountable to the American public.</p> <p><i>Contract and Grant Justification.</i> Each Agency Head shall, with assistance as requested</p>	<p>All payments from federal funds issued to the County may be recorded using this new methodology and new requirements for payments may be developed.</p>

		<p>from the agency’s DOGE Team Lead, build a centralized technological system within the agency to seamlessly record every payment issued by the agency pursuant to each of the agency’s covered contracts and grants, along with a brief, written justification for each payment submitted by the agency employee who approved the payment.</p>	
<p>02/19</p>	<p><b>Executive Order:</b> Ending Taxpayer Subsidization of Open Borders</p>	<p>The head of each executive department or agency will identify all federally funded programs administered by the agency that currently permit illegal aliens to obtain any cash or non-cash public benefit, and, take all appropriate actions to align such programs with the purposes of this order which is to uphold the rule of law, defend taxpayer resources, and protect benefits for American citizens. Eligibility verification systems must, to the maximum extent possible, ensure that taxpayer-funded benefits exclude any ineligible alien. Within 30 days of this order, the Director of the Office of Management and Budget and the Administrator of the US DOGE Service shall refer any improper receipt of use of Federal benefits to the Department of Justice and the Department of Homeland Security for appropriate action. Ensures that Federal payments to States and localities do not, by design or effect, facilitate the subsidization or promotion of illegal immigration, or abet “sanctuary” policies that seek to protect illegal aliens from deportation.</p>	<p>Impacts the 2017 Board of Supervisors resolution which ensures Yolo County is a safe, welcoming place for all.</p> <p>The 2025 Intergovernmental Advocacy Policy approved by the Board, February 11, 2025, includes commitments such as:</p> <ul style="list-style-type: none"> <li>• Support actions that uphold the U.S. Constitution and due process rights for all people and protect the people and economy of Yolo County (Thriving Residents)</li> <li>• Oppose actions that that may be harmful to families or children or that interfere with a person’s right to pursue asylum in the United States or that result in a denial of due process of law. (Thriving Residents)</li> <li>• Support actions which work to promote the health and safety of</li> </ul>

			<p>residents, without regard to immigration status. (Thriving Residents)</p> <ul style="list-style-type: none"><li>• Seek legal resources to support Yolo County residents with immigration issues (Thriving Residents)</li><li>• Support actions which ensure family unity, community security, respect, due process and support for all residents including immigrants and international visitors to ensure Yolo County remains a safe, and welcoming place for all. (Thriving Residents)</li></ul> <p>Per the recent Memorandum “Yolo County as a Safe and Welcoming Place for all”, HHS services, as described, may be impacted:</p> <ul style="list-style-type: none"><li>• HHS operates without regard to individuals’ immigration status unless specific state or federal benefit programs require the collection of this information.</li><li>• Our safety net programs: CPS and APS protect the public regardless of immigration status. Our general employment programs and agriculture worker programs generally serve the public regardless of immigration status.</li><li>• CalWORKS has some specific programming for refugees and allowances</li></ul>
--	--	--	---

			<p>for benefits for some mixed immigration families. The agency actively works with immigrations rights groups and legal services to make referrals when warranted. At this point, Medi-Cal or health insurance for low-income individuals and families regardless of immigration status is essentially fully in place whether that be through Medi-Cal expansions, PRUCOL exemptions or CMSP.</p> <ul style="list-style-type: none"> <li>• HHS anticipates elevated public concerns with the utilization of the agency’s Social Services programs and the effects of family separation on the community. Families or individuals with mixed immigration status are often hesitant to apply for benefits they may be eligible for out of fear that their data may be used against them when legalizing their residency status.</li> </ul>
<p>02/19</p>	<p><b>Executive Order:</b> Commencing the Reduction of the Federal Bureaucracy</p>	<p>This order commences a reduction in the size of the Federal Government. Within 14 days of the date of this order, the head of each eliminated governmental entity (listed) shall confirm compliance to the Office of Management and Budget. In reviewing budget requests submitted by the governmental entities, the OMB Director or the head of any executive department or agency</p>	<p>This order may impact the County’s grant funding requests submitted to the governmental agencies deemed “unnecessary” by the Office of management and Budget.</p>

		<p>charged with reviewing grant requests by such entities shall reject funding requests for such governmental entities.</p>	
<p><b>02/18</b></p>	<p><b>Executive Order:</b> Ensuring Accountability for all Agencies</p>	<p>It shall be the policy of the executive branch to ensure Presidential supervision and control of the entire Executive branch. Moreover, all executive departments and agencies including independent agencies shall submit for review all proposed and final significant regulatory actions to the Office of information and Regulatory Affairs (OIRA) within the Executive Office of the President before publication in the Federal Register.</p>	<p>Worth noting the potential reduction of checks and balances on executive authority, specifically, over the control of independent agencies’ determinations and direction. Difficult to quantify a direct local impact to date.</p>
