Hello

Please see below resignation letter emailed from Dean Newman, Board Member for the Knights Landing Community Service District.

Good late night,

I would like to express my great gratitude being able to serve my community. I believe I helped better this town as a whole; by volunteering my time, thoughts and concerns, when it comes to Knights Landing. Knights Landing has been my home, all but, a gap of 13 years in my life. I cherish this town and all the fond memories it's brought me. I feel the board is in good standing with the future projects, infrastructures, and budget. Wholeheartedly, I would like to relinquish my seat to furnish another community member with a great opportunity to work in this community. Thanks again for the opportunity, and I would like to thank all the board members, the Gm, Vickie, and all showed support.

Take care,

Dean Newman

David, Deanna, and Ashley,

I hope your week is off to a great start! I am writing to resign from the WIB board because I have accepted a job at Calbright College and the Dean position will be open for recruitment. My last day is 9/5. Sadly, I will not get the opportunity to say goodbye to the full board in person and ask that you express my gratitude in serving with so many talented and community focused board members with the WIB for several years.
