EXHIBIT A – Detailed Program Description, Obligations, Restrictions

Detailed Program Description:

The Program will support the Participant in meeting the BHAS Healthcare Effectiveness Data and Information Set (“HEDIS”) reporting requirements for Measurement Year (“MY”) 2025/Reporting Year (“RY”) 2026.

This Agreement will be amended on an annual basis to add information regarding and/or Services related to future Measurement Years. In keeping with HIPAA and National Committee of Quality Assurance (“NCQA”) HEDIS reporting compliance regulations and data retention guidelines, all data received by CalMHSA through this Agreement will be retained by CalMHSA for a period not to exceed six years after the Measurement Year in which the data is received. All data will be destroyed after it has been retained for six years.

MY25/Ry 26 Required BHAS Measures*

Mental Health Plan (“MHP”) Measures:

- Follow-Up After Emergency Department for Mental Illness (“FUM”);
- Follow-Up After Hospitalization for Mental Illness (“FUH”);
- Use of First Line Psychosocial Care for Children and Adolescents on Antipsychotics (“APP”);
- Adherence to Antipsychotic Medications for Individuals with Schizophrenia (“SAA”).

Drug Medi-Cal Organized Delivery System (“DMC-ODS”) Measures:

- Pharmacotherapy of Opioid Use Disorder (“POD”);
- Use of Pharmacotherapy for Opioid Use Disorder (“OUD”);

- Initiation and engagement of Substance Use Disorder Treatment (“IET”).

***Please Note:** CalMHSA will only calculate the measures that are required reporting for the Participant’s Behavioral Health Plan.

Obligations:

CalMHSA shall:

- Be certified as an NCQA-Certified Vendor for all NCQA MY 25 measures/Ry 26.
- Produce HEDIS measures results based on MY 2025 specifications using data provided by the Participant.
- Accept required data files from Participant via secure file transfer.
- Complete all deliverables included with the purchase of a Simple or Enhanced Bundles for MY 2025/Ry 2026 as detailed in Table 1, below.

- For Participants utilizing SmartCare:
 - Extract relevant MMEF, MHP and DMC-ODS services and/or 837 claims data from SmartCare EHR.

TABLE 1			
Included in the following Bundles:	Deliverables #	Deliverable Title	Description
<ul style="list-style-type: none"> ○ Simple ○ Enhanced 	1	MY25 HEDIS/Ry 26 Audit Support	CalMHSA will apply certified logic to data provided by the Participant to calculate the required BHAS measures for annual EQRO audit deliverables and DHCS requirements. CalMHSA will produce and submit the following deliverables directly to the EQRO and will also share with the Participant: <ul style="list-style-type: none"> • Preliminary and final rates via an aggregated Rate Reporting Template (“RRT”) • Member-level details (“MLD”) files used for primary source verification. “MLD” files will also be shared directly with the county via secure file share. • Back-end table screenshots of selected EQRO cases for primary source verification (front-end EHR screenshots are not included in this offering).
<ul style="list-style-type: none"> ○ Simple ○ Enhanced 	2	MY25 HEDIS/Ry26 Descriptive Analysis Report	CalMHSA will produce one annual report (“Descriptive Analysis Report”) based on aggregated data including denominator and numerator details, including demographic stratification. This report will be released after the conclusion of the audit cycle (Deliverable 1).
<ul style="list-style-type: none"> ○ Enhanced 	3	Quarterly HEDIS Calculation	In addition to the reports generated during the annual audit cycle, CalMHSA will produce three quarterly reports that calculate rolling measurement year windows. These reports will also stratify measure performance by quarter. These reports will be provided via an excel quarterly trending report.

Participant shall:

- Provide required data for HEDIS analysis as described in the table below.
 - For the highest percent data completion on Plan Data Feed, counties should submit monthly Plan Data Feed files.

- Submit files in the table below without a nested folder structure.
 - For 837 data, one folder can include many data files, but one folder should not contain multiple sub-folders.
- **Participants opting into either the Simple or Enhanced Options**, submit data to CalMHSA to meet MY25/Ry 26 deliverables as detailed in Table 2. The Department of Healthcare Services requires that Participants provide measure calculations for all Medi-Cal Eligible beneficiaries in the county that meet measure criteria, not just members served by county BHPs. Counties should continue to submit Plan Data Feed files but additionally will need to provide Managed Care Plan (“MCP”) claims data and Pharmacy claims for the full Medi-Cal population. Participant data will include Monthly Medi-Cal Eligibility Files (“MMEF”), County BHP 837 claims, MCP claims data, and pharmacy claims. Other data sources mutually agreed upon between the Parties may be utilized, as set forth below, but may also result in additional expense/delay.
- **Participants opting into the Enhanced Option**, will submit data to calculate quarterly measures. This starts with the data sources and date ranges detailed in Table 2. Additionally, Participant will continue to submit more recent data to support updated quarterly calculations. The submission schedule for quarterly data reports will be shared with each Participant after the Agreement is executed. These reports will reflect performance over each measure’s full measurement period but will lag by approximately three months to allow time for claims processing. For example, a report generated on July 15, 2026, will include data through March 31, 2026. CalMHSA will provide a due date for counties to submit data for inclusion in each quarterly report. Data submitted after the deadline will be included in the next quarter’s report. Reports are updated retrospectively and may adjust past results for up to one full measurement period as new data is received. This means performance figures for the same quarter may change slightly in future reports if additional data is submitted later.
- Agree to be bound by the terms of the NCQA End User License Agreement (“EULA”) available at <https://wpcdn.ncqa.org/www-prod/wp-content/uploads/End-User-License-Agreement-Measure-Cert.pdf>. By signing this Agreement, Participant acknowledge that it has read, understood, and agrees to be bound by such EULA, including any updates thereto.
- Grant CalMHSA the right to use any data provided or generated in accordance with the terms of the applicable Business Associate Agreement.
- Communicate all questions and concerns to CalMHSA via ManagedCare@calmhsa.org.
