Project Title: ZF2024-039 E. Parker Development Agreement Fourth Extension

Applicant: Yocha Dehe Wintun Nation  
PO Box 18  
Brooks, CA 95606

Project Location: North of the intersection of State Route 16 and County Road 86A within the unincorporated community of Esparto

Assessor's Parcel Number: 049-160-021

Project Description: A request to amend the E. Parker Development Agreement to extend the termination date by two years. This would be the fourth extension of the Development Agreement.

Exempt Status: **Exemption based on Section 15061 (b)(3) of the California Environmental Quality Act Guidelines (CEQA), known as the "common sense" rule.**

Reasons why project is exempt: Section 15061(b)(3) consists of activities covered by the "common sense exemption" that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. Amending the DA to extend the length of the term will not have an effect on the environment.
