RE: Neighbor Consent to Cannabis Cultivation Buffer Exception – Yolo Gardens

Applicant Address: 36459 County Rd 21, Woodland, CA 95695

To the Yolo County Planning Commission:

I, Fou Saelee , are the legal owner of the property located at:

36334 Hwy 16 Woodland, CA 95695 APN: 025130004000

This letter is to confirm my/our understanding of a request submitted by our neighbor, Yolo Gardens (located at 36459 County Rd 21, Woodland, CA 95695).

I understand that Yolo Gardens is requesting approval of a buffer exception from the Yolo County Planning Commission. I specifically understand that this request is to cultivate outdoors in an area that is 530 feet from my property owner's residence to the southwest, which does not currently meet the required 600-foot buffer.

By signing this letter, I give our full consent to this buffer exception. I waive the 600-foot buffer requirement as it pertains to my residence for this specific outdoor cultivation area proposed by Yolo Gardens and have no objection to this request.

Sincerely,
