

Partnership HealthPlan of California was proud to nominate **Yolo County Children's Alliance (YCCA)** for the **Association for Community Affiliated Plans' 2025 Supporting the Safety Net Award**.

We are thrilled to present them with an **honorable mention** plaque in recognition of the work YCCA is doing for families across Yolo County.

“In the rapidly evolving landscape of immigration, Medi-Cal, and social services, YCCA continues to adapt and lead. By creating pathways to safety, stability, and opportunity, YCCA not only transforms children and families, but also strengthens the broader Yolo County community.” – *Sonja Bjork, CEO, Partnership*
