Dear Yolo County Supervisors,

I agree with Barbara and feel a change is needed. I represent the Fairfield Inn & Suites in Winters. I unfortunately can't attend tomorrow. I have hotels in Woodland and the best thing we did is leave Visit Yolo and now we control the funds as hotel owners and support events that bring people to town; puts heads in beds which ultimately also supports local restaurants and businesses. We also sponsored the ice rink and other city events. We have one person focused on events at a nominal cost. Being local is critical to this effort. I would prefer Winters control its own TBID dollars.

Sincerely,

Rohit Ranchhod

Dear Yolo County Board of Supervisors -

Regarding my concerns about Visit Yolo, I am resending the attached letter to be included in your meeting on December 9, 2025 in Woodland. I will also send this letter for to the Clerk of the Board for public comment - [clerkoftheboard@yolocounty.gov](mailto:clerkoftheboard@yolocounty.gov).

Please re-read my letter to refresh your memories about the issues and some other details I have added. You should also know that this has been a very stressful process for me as I'm concerned about repercussions from Visit Yolo.

Sincerely - Barbara
