Hello,

I'm writing to address agenda item #24 at the upcoming Board of Supervisors meeting on Tuesday, April 28, 2026.

The proposed cut in staffing at the Yolo County Archives will negatively affect not only public service, but service to critical county departments including the Yolo County Sheriff's Office and Yolo County Elections Office. As a former employee of the Yolo County Archives, I'm aware of the critical services and access to public records they provide to patrons and county departments. Reducing the Archives' ability to serve its patrons does not benefit the public's interest.

I strongly oppose the proposal to cut staffing at the Yolo County Archives.

Regards,

Michelle Trujillo
