| <b>ESTIMATED GRAND TOTAL:</b> | \$30,078.60 |

Quote-SA1265

### **ASSUMPTIONS & CONTINGENCIES**

- Republic Services will have free and easy access to the work area.
- Pricing is based on work being completed during normal business hours Monday - Friday.
- Any expendables used are charged in accordance with Republic Services' current expendable price list.
- Applicable local, state, federal, transporter and/or other applicable taxes or fees will be added to the invoice.
- All labor, vehicle and equipment charges are billed on a portal-to-portal basis, including time to analyze and off-load the waste at the disposal facility. Overtime rates will apply for hours worked over 8 hours in a day, all hours before 7:00 am, after 3:00 pm, on weekdays and all day Saturday. Double time rates apply for hours worked on Sunday and Holidays.
- This is a minimum disposal fee of \$975.00 per shipment.
- Disposal pricing is based on profile and analytical review and acceptance.
- The first 15 minutes of loading/off-loading is free; thereafter demurrage is \$195.00 per hour.
- The invoice may be generated before final disposal information has been received. If your waste is classified as off-specification upon receipt, you will be notified, and an additional invoice will be generated for any unexpected costs.
- There is a 15 tons minimum disposal charge per load.
- There is a maximum weight of 18 tons per roll-off container.
- This Quote is based on the generator's characterization of the waste. Off-specification charges will apply if the actual waste and/or waste packaging does not meet the expected specifications.
- Fees will be charged for waste approvals. A Profile Submission Fee of \$125 will be charged for each initial profile approval, and a Profile Renewal Fee of \$40 will be charged for each profile renewal.

### **TERMS & CONDITIONS**

- Except where superseded by an existing contract between Customer and Republic Services, as noted in the Proposal Acceptance, the terms and conditions below apply to this Quote. This quoted estimate is provided based upon information provided by or gathered at Customer's location. Services provided will be charged at no less than the estimate. Charges incurred that exceed the cost estimate will be invoiced based upon actual labor, materials, and/or disposal services provided by Republic Services and will be billed at a time and materials basis.
- This Quote is contingent upon Customer providing free and easy access to the work area. Drums/containers must be in DOT shippable containers.

Quote-SA1265

- An overtime rate of 1.5 times the listed rate will be charged for hours worked over 8 hours in a day, all hours before 7:00 am, after 3:00pm, on weekdays and all day Saturday. Double time will apply to all hours worked on Sunday and Republic Services Holidays. Republic Services Holidays include:
  - New Year's Day, Birthday of Martin Luther King, Jr., President's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, The day after Thanksgiving, Christmas Eve, and Christmas Day.
- Rate Time Definitions
  - a. The day rate, where applicable, is defined as twelve hours.
  - b. After 12 hours and up to 24 hours, the Hourly Rate will apply. If no Hourly Rate is stated in the Rate sheet for an item, it will be calculated as the Day Rate divided by 12.
- Charges for labor and equipment will be invoiced on a portal to portal basis from start to completion of the job, for loading and unloading and mobilization and demobilization of equipment and materials. Minimum call out time is four hours per person and per piece of equipment. This includes on-site and off-site labor and equipment.
- Waste disposal and/or ancillary supplies not listed on this quote will be quoted after a representative sample is obtained and an approved TSDF is located (for waste); Ancillary supplies required and used will be billed in accordance with Republic Services standard rates sheet.
- This Quote is based on the generator's characterization of the waste and the Republic Services assigned Process Code. Waste materials that are received and do not conform to the assigned Process Code may be subject to re-coding and correction of charges.
- The invoice for work referenced above may be generated before final disposal information has been received. If your waste is classified as off-specification upon receipt, you will be notified, and an additional invoice will be generated for any unexpected costs.
- Lab packs rates do not include explosives, potentially explosive, radioactive, temperature sensitive or infectious material; Republic Services may furnish a separate quotation for any high-hazard work, if requested. Republic Services reserves the right to decline receipt of any material that cannot be disposed of in a lawful manner or if no legal disposal options exist.
- Cylinders require evaluation and approval by an authorized Republic Services representative prior to shipment. Cylinders must be in DOT shippable condition, be marked with original stenciling, labels and/or tags, and valves must be operational. Cylinders not meeting Republic Services approval and the aforementioned conditions may be subject to additional charges.
- Net due 30 days with prior credit approval unless modified by executed purchase order or contract. Finance charges of one and one half (1.5) percent per month will be due on payments past due after thirty days from date of invoice.
- Applicable Taxes, including local, state and federal taxes and/ or fees are not included in the quoted rates and will be applied to each invoice as applicable.

Quote-SA1265

- An EEC fee will be added to your services. EEC is an environmental, energy & compliance fee. The EEC fluctuates monthly and will be charged as a percentage of all invoiced charges. For more information about this fee, please visit [www.republicservices.com/customer-support/fee-disclosures](http://www.republicservices.com/customer-support/fee-disclosures).
- Customer is responsible for time, material, and disposal charges to decontaminate utilized equipment if necessary. Said charges will be at Republic Services' standard T&M rates and disposal cost plus 30%.
- This Quote is valid for 30 days. Pricing is based on the current market capacity, conditions, and Government regulations. If a significant market-wide pricing, capacity or regulatory change affects our pricing, this quote is subject to change.

Republic Services appreciates the opportunity to work for you. We sincerely look forward to performing this project. Should you have any questions, please do not hesitate to call me directly at
