CLERK OF THE BOARD
OF SUPERVISORS

Attention:

Humberto Izquierdo,

I want an extension to
my contract by renewing the
Williamson act for another 9 years
or more.

Eleven acres of my property
is "wild, natural growth" in Cache
Creek, totally undevelopable and unusable.

I am a senior citizen,
retired, relying on my pension.
Changing the status of my
property and greatly increasing
my taxes would totally unviable
for me.

Respectfully,
Nancy Plocher
